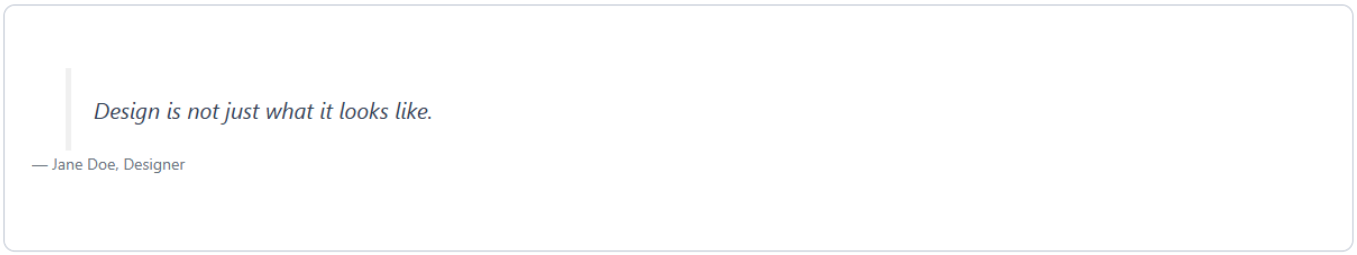
Blockquote

A styled quotation with an optional caption and a left/right pull style.



Blockquote example

Example

```
[bsv-blockquote cite="Jane Doe" cite_title="Jane Doe, Designer"]Design is not just what it looks like.[/bsv-blockquote]
```

Format

```
[bsv-blockquote parameter="value" ...]Your quote here[/bsv-blockquote]
```

Parameters

Parameter	Description	Default
`cite`	The citation text. The caption is rendered only when this is not empty.	*empty*
`cite_title`	Optional caption text used instead of `cite`.	*empty*
`pull`	Pull the quote to the side: `left` or `right`.	*empty*

The quote content is passed through `wp_kses_post`. There is no source URL attribute in 4.0.0.
